Use and safety guide

Shelly BLU TV TRV

Refered to in this document as the Device.

Graphical symbols

► This sign indicates safety information.

► This sign indicates an important note.

Safety information

For safe and proper use, please read this guide and any accompanying documents. Keep them for future reference.

To avoid possible harm or property damage, do not mix old and new batteries, or different battery types. Mixing batteries may damage the Device and cause fire.

Make sure batteries are installed according to polarity (+ and -) and use the Device if it is damaged or defective.

Do not attempt to repair or modify the Device.

Use the Device only with the following instructions.

Keep the Device away from dirt and moisture.
